

Pilot Plant Direct Strip Casting Facilities

Corus Consulting Limited, Teesside Technology Centre, P.O. Box 11, Grangetown, Middlesbrough, Teesside TS6 6UB U.K. Telephone: +44 (0)1642 467144 Fax: +44 (0)1642 460321 E-mail: colin.notman@corusgroup.com

S

A smaller direct strip caster is also available for initial feasibility studies.

Work has been undertaken and continues on a range of stainless and carbon steel grades to assess both process development, product properties, and quality issues including application of the material into conventional products.
